Peel Here

INSTRUCCIONES DE USO

Agitar bien antes de cada uso y durante el uso. Cubrir la planta a tratar cuidadosamente, incluyendo las hojas y tallos, hasta que oscurezca. Rocíe las plantas exteriores temprano en la mañana o por la noche para evitar la parte más calurosa del día. No aplicar en temperaturas de más de 90°F. Si se necesita una segunda aplicación esperar al menos 5 días antes de volver a aplicar. Cuando se use como repelente, vuelva a aplicar cada 7-10 días. Para mayor seguridad, evite su uso cuando los polinizadores estén activos.

PRECAUCIÓN/PRIMEROS AUXILIOS

Evitar colocar el producto cerca de calor extremo, chispas y llamas expuestas. Evitar que entre en los ojos o toque la piel o la ropa. Peligroso si se ingiere. El contacto directo con los ojos puede causar irritación. Se recomienda el uso de guantes impermeables para evitar el contacto prolongado con la piel. Si hay contacto, lavar con mucho jabón y agua 15 a 20 minutos. Si entra en los ojos enjuagar repetidamente con agua limpia durante 15 minutos. Consultar al médico si persiste la irritación.

ALMACENAMIENTO

Mantener el producto en su recipiente original en un lugar fresco y seco lejos del sol directo. Guardar en temperaturas entre 65°F y 80° F. No congelar.

DESECHO

Desechar el desperdicio de acuerdo con las leyes y regulaciones ambientales locales, federales y estatales. Reciclar lo botella al terminar y no volver a usar.

CONDICIONES DE VENTA

Sarasota Green Group, LLC no garantiza la comerciabilidad ni la aptitud para ningún otro fin que no sea el expresado en esta etiqueta. El comprador asume toda la responsabilidad por la seguridad y el uso que no se hagan de acuerdo con las instrucciones y precauciones de esta etiqueta.

Sarasota Green Group, LLC declara que este producto es un pesticida de mínimo riesgo y está exento de ser registrado bajo la EPA FIFRA 25(b). Este producto no está registrado en la EPA.

DIRECCIONES FOR USE

Shake well before and during each use. Thoroughly spray leaves and stems until there is runoff. Spray outdoor plants early in the morning or evening to avoid the hottest part of the day. Do not apply in temperatures over 90°F. If a second application is necessary, wait at least 5 days prior to reapplication. When using as a repellent, reapply every 7-10 days. For additional safety, avoid use when pollinators are active.

PRECAUTIONARY STATEMENTS / FIRST AID

Avoid getting product near extreme heat, sparks and open flames. Avoid getting in eyes or on skin or clothing. Harmful if swallowed. Direct eye contact may cause irritation. Impervious gloves are recommended to prevent prolonged skin contact. If contact occurs, wash with large amounts of soap and water for 15-20 minutes. If in eyes, rinse repeatedly with clean water for 15 minutes. Obtain medical attention for any persistent irritation.

STORAGE

Keep product in its original container in a cool, dry location away from direct sunlight. Store in temperatures between 65°F and 80°F. Do not freeze.

DISPOSAL

Dispose of waste material in accordance with federal, state and local environmental laws and regulations. Recycle bottle when empty and do not reuse.

CONDITIONS OF SALE
