Peel Here 

INSTRUCCIONES DE USO

Antes de mezclar, agite bien el concentrado. Mezcle 1 ¼ de taza (10 onzas líquidas) de concentrado con 1 galón de agua. Cubrir la planta a tratar cuidadosamente, incluyendo las hojas y tallos, hasta que escurra. Rocíe las plantas exteriores temprano en la mañana o por la noche para evitar la parte más calurosa del día. No aplicar en temperaturas de más de 90°F. Si se necesita una segunda aplicación esperar al menos 5 días antes de volver a aplicar. Cuando se use como repelente, vuelva a aplicar cada 7-10 días. Para mayor seguridad, evite su uso cuando los polinizadores estén activos.

PRECAUCIONES/PRIMEROS AUXILIOS

Evitar colocar el producto cerca de calor extremo, chispas y llamas expuestas. Evitar que entre en los ojos o toque la piel o la ropa. Peligroso si se ingiere. El contacto directo con los ojos puede causar irritación. Se recomienda el uso de guantes impermeables para evitar el contacto prolongado con la piel. Si hay contacto, lavar con mucho jabón y agua 15 a 20 minutos.

Si entra en los ojos enjuagar repetidamente con agua limpia durante 15 minutos. Consultar al médico si persiste la irritación.

ALMACENAMIENTO

Mantenga el producto a temperatura ambiente, lejos de la luz solar directa. No congele.

DESECHO

Deseche los residuos de acuerdo con las leyes y regulaciones ambientales federales, estatales y locales. Recicle la botella cuando esté vacía, y no la reutilice.

CONDICIONES DE VENTA

Sarasota Green Group, LLC no hace ninguna garantía de comerciabilidad ni idoneidad para ningún propósito excepto el expresado en esta etiqueta. El comprador asume toda la responsabilidad por la seguridad y el uso que no sigan las indicaciones de las instrucciones y precauciones de la etiqueta.

Sarasota Green Group, LLC representa que este producto es un pesticida de riesgo mínimo, y está exento de registro en virtud de la EPA FIFRA 25(b). Este producto no está registrado ante la EPA.

DIRECTIONS FOR USE

Prior to mixing, shake concentrate well. Mix 1 ¼ cup (10 fl. oz.) of concentrate with 1 gallon of water. Thoroughly spray leaves and stems until there is runoff. Spray outdoor plants early in the morning or evening to avoid the hottest part of the day. Do not apply in temperatures over 90°F. If a second application is necessary, wait at least 5 days prior to reapplication. When using as a repellent, reapply every 7-10 days. For additional safety, avoid use when pollinators are active.

PRECAUTIONS/FIRST AID

Avoid getting product near extreme heat, sparks and open flames. Avoid getting in eyes or on skin or clothing. Harmful if swallowed. Direct eye contact may cause irritation. Impervious gloves are recommended to prevent prolonged skin contact. If contact occurs, wash with large amounts of soap and water for 15-20 minutes. If in

eyes, rinse repeatedly with clean water for 15 minutes. Obtain medical attention for any persistent irritation.

STORAGE

Keep product at room temperature away from direct sunlight. Do not freeze.

DISPOSAL

Dispose of waste material in accordance with federal, state and local environmental laws and regulations. Recycle bottle when empty and do not reuse.

CONDITIONS OF SALE

Sarasota Green Group, LLC makes no warranties of merchantability or fitness for any purpose except expressed on this label. Buyer assumes all responsibility for safety and use not in accordance with label directions and precautions.

Sarasota Green Group, LLC represents that this product is a minimum risk pesticide and is exempt from registration under EPA FIFRA 25(b). This product is not EPA registered.
