LESS PLASTIC*

NON-SELECTIVE HERBICIDE

Avoid Overspray on Desirable Plants

**JUST ADD
WATER**

**HOW TO USE:
MIX CONCENTRATE
WITH 1 GALLON WATER**

WHERE TO USE: Planting beds, mulch beds, driveways, patios, pavers, edging, fence lines, gravel areas and areas where weeds are not wanted.

KILLS: All common weeds including Broadleaf, Crabgrass, Dandelion, Clover, Ivy, Chickweed and many more.

NO HARSH CHEMICALS: Powered by sea salt, Earth's Ally® Weed & Grass Killer Concentrate is an OMRI Listed® herbicide that dissolves completely when mixed with water and quickly kills all weeds down to the roots.

SATISFACTION GUARANTEED: Visit earthsally.com for details.

MIX ENTIRE BAG OF CONCENTRATE WITH 1 GALLON WATER

MIXING INSTRUCTIONS: Use a pump or backpack sprayer with at least 1 gal. capacity. A corrosion-resistant model is recommended. Fill sprayer tank with 1 gal. water then carefully pour the entire contents of this bag into the tank in a well-ventilated area. Pour at arm's length to avoid inhaling powder. Close sprayer and carefully shake the mixture well.

DIRECTIONS FOR USE: Thoroughly saturate the weed you want to eliminate. Do not use during rainfall or when weeds are wet. For best results, spray weeds in abundant sunshine and warmer afternoon hours. Multiple applications may be needed for certain tough and dense weeds. For additional safety, do not use when pollinators are active.

AFTER USE: Flush sprayer with clean water, following sprayer manufacturer's instructions. After cleaning, sprayer may be used for other products.

CAUTION: Do not spray on healthy grass and plants unless you want to eliminate them.

STORAGE: Keep product in its original container in a cool, dry location, away from direct sunlight. Store in temperatures between 60°F and 85°F.

DISPOSAL: Dispose of waste material in accordance with federal, state and local environmental laws and regulations. Discard product packaging when done and do not reuse.

PRECAUTIONS/FIRST AID: Avoid getting in eyes or on skin or clothing. Avoid inhalation. Harmful if swallowed. If in eyes, rinse repeatedly with clean water for 15 minutes. Obtain medical attention for any persistent irritation.
