EARTH'S ALLY®

BUG BARRIER

Kills & Repels Household Crawling Insects

Shake Well Before and During Use

Read Entire Label Before Use

WHAT IT DOES: Kills and repels common crawling and home invading insects such as cockroaches, ants, spiders and other common household bugs.

FOR BEST RESULTS: Use as a preventative treatment or anytime you see evidence of insect activity. Retreatment is recommended once per season or every 90 days.

USE ON INDOOR SURFACES: This spray is intended for use indoors. Apply on hard, non-porous surfaces where crawling insects may enter or hide, such as around window and door frames, in basements and near sinks and appliances. The formula is non-staining on most surfaces. Testing a small inconspicuous area prior to application is recommended. Do not use on carpets or fabric surfaces. Do not spray on plants or animals.

NO HARMFUL RESIDUE: Safe to use around kids and pets when used as directed. Formulated with encapsulated essential oils, Earth's Ally® delivers long-lasting insect repellency for up to 90 days after application.

SATISFACTION GUARANTEED: Visit earthsally.com for details.

Peel Here

INSTRUCCIONES DE USO

Agite bien el recipiente antes de usar y durante el uso. Sostenga el rociador aproximadamente a 12 pulgadas de la superficie. Ajuste la boquilla del rociador a la configuración deseada, rociado o chorro. Rocíe en áreas donde los insectos comúnmente se esconden. Rocíe directamente sobre los insectos hasta que estén cubiertos. Aplique una fina niebla en áreas donde los insectos son un problema recurrente hasta que esté ligeramente húmedo pero no empapado. Permita que las mascotas entren al área tratada después de que el rociado se haya secado. Repita según sea necesario para tratar el problema.

PRECAUCIÓN / PRIMEROS AUXILIOS

Evite acercarse al producto a calor extremo, chispas y llamas abiertas. Evitar que entre en los ojos o toque la piel o la ropa. Peligroso si se ingiere. El contacto directo con los ojos puede causar irritación. Se recomiendan guantes impermeables para evitar el contacto prolongado con la piel. Si se produce contacto, lavar con agua abundante. Si entra en contacto con los ojos, enjuáguelos con agua limpia durante varios minutos. Consultar al médico si persiste la irritación.

ALMACENAMIENTO

Mantener el producto en su recipiente original en un lugar fresco y seco lejos del sol directo. **Guardar en temperaturas entre 65°F y 80°F. No congelar.**

DESECHO

Desechar el desperdicio de acuerdo con las leyes y regulaciones ambientales locales, federales y estatales. Reciclar la botella al terminar y no volver a usar.

CONDICIONES DE VENTA

Sarasota Green Group, LLC no garantiza la comerciabilidad ni la aptitud para ningún otro fin que no sea el expresado en esta etiqueta. El comprador asume toda la responsabilidad por la seguridad y el uso que no se hagan de acuerdo con las instrucciones y precauciones de esta etiqueta.

Sarasota Green Group, LLC declara que este producto es un pesticida de mínimo riesgo y está exento de ser registrado bajo la EPA FIFRA 25(b). Este producto no está registrado en la EPA.

DIRECTIONS FOR USE

Shake well before and during each use. Hold sprayer approximately 12 inches from surface. Adjust sprayer nozzle to desired setting, spray or stream. Spray in areas where bugs commonly hide. Spray directly onto any bugs until they are covered. Apply fine mist in areas where insects are a recurring problem until slightly wet but not soaking. Repeat as necessary to treat the problem. Allow pets to enter the treated area after the spray has dried.

PRECAUTIONS / FIRST AID

Avoid getting product near extreme heat, sparks and open flames. Avoid getting in eyes or on skin or clothing. Harmful if swallowed. Direct eye contact may cause irritation. Impervious gloves are recommended to prevent prolonged skin contact. If contact occurs, wash with plenty of water. If in eyes, rinse with clean water for several minutes. Obtain medical attention for any persistent irritation.

STORAGE

Keep product in its original container in a cool, dry location away from direct sunlight. **Must be stored in temperatures between 65°F and 80°F. Do not freeze.**

DISPOSAL

Dispose of waste material in accordance with federal, state and local environmental laws and regulations. Recycle bottle when empty and do not reuse.

CONDITIONS OF SALE
